**9th March 2018**

West Ranga Property Group have recently purchased the heritable interest in a site on Dundee's Murraygate from Northumberland Estates.

Lying derelict since a fire in 2015, the company is looking forward to commencing a comprehensive redevelopment providing a property fit for modern use whilst retaining and enhancing the architectural importance of the street.

Graham & Sibbald acted on behalf of West Ranga Property Group in respect of the purchase.

We look forward to bringing you more exciting news in due course.
